Pwo Dollars a year, in advance.

Massillon, Wednesday, May 22 Washington treaty there is considerable speculation, denunciation, and the president was requested to furnish

complaining these days in some of the by the press of the 17th and 19th Dis papers. It is stated that the represen tricis tatives of the English government at Geneva refuse to allow what is called consequential or indirect damages to come into the bill of accounts against Youngstown; C S Hofloway, Register, that power, and that the U S repsesen- Columbiana; Jos Hartzell, R. p and pressed a willingness to withdraw these Press, Rivenna; S G McKee, Tele claims, which gives his opponents great graph, Alliance; J W Gillespie, Local, occasion to harp and criticise the Albance; W A Buchard, Constitution, course he advises. At present the Warren; Thos L McClelland, Puts public is not fully aware of all the Pierce, Journal, Garrettville; Stanton points bearing on this difficult question, Weaver, Commercial, Minerva. and it would be well for all parties not to be in too much of a hurry to raise Advertising Agency, being present, the cry of condemnation against the was called upon to give his views con administration until it is known precise ly on what grounds this action is based. were full of interest and gave much in If the administration is purposely or perversely doing a manifest wrongand it will scarcely be so foolish as that-let it be consured with the greatest severity. True, our country should submit to no wrong supinely, without The chair appointed Messrs Hartzell of way through the land owned by said a proper spirit to resent the same, and Odell, McGregor, Harris and Buch parties and situated on the line of said proit is not probable that Gen. Grant, one ard. of the great captains of the age, will meekly succumb to the arbitrary wish of the English government. There must be adequate reasons for such a course. They will all be given in due

Within a few days the daily papers are bristling with formidable sensa tion headings of accounts of terrific Indian outrages, where the savage has been killing white folks. It is a terri ble story to tell of the cruelty. Nine cases out of ten these are only retributions for the infernal wrongs which whiter men have inflicted on them. profession, demand that we should not Can those who would exterminate the red man for his cruelty find a parallel home customers, whose special inter of wickedness perpetrated by him in that most causeless, heartless, inhuman slaughter of ninety six Indian men, women and children, all of them professing Christianity, about ninety years ago at Gnaudenbutten in Tuscarawas be honorable men, and we commend county? The red hands of these white murderers of innocent Indians stain and disgrace civilization. our boasted It is true we all regard those Indian marders as inexcusable, but when we reflect that they are guided more, in that respect, by savage instinct than meeting of this Association shall be the mavel is that they are not more Friday in May, 1873. fierce than experience has proved them to him, we may expect trouble, for the ing year: fire water only serves to stimulate his worst traits. There may be treacher ous Indians, but history proves they arc rare, while among white people they abound.

Politics bring in strange bad fellows It is said that Moshy, a noted guerrilla chief among the rebels during the war is in favor of Grant's re-election while Forrest, another one of the worst of rebels, because of his terrific inhu maity, strongly supports Mr. Greeley's Herald Washington special says: pretensions. There may be good traits about such fellows, but the idea that people generally entertain of them is, that both Grant and Greeley might rea the house and been reported to the of such friends. Their allegience to senate about Thursday. political parties is as much of an in cubus as the small-box or cholera would be to a healthy community.

for Horace Greeley to be reparated which it is supposed will give rise to from the editorship of the New York Tribune, yet that has been done, and the paper still lives. Mr. G. formally withdrew from that high and respons ible position one day last week, and Mr. Whitelaw Reid, one of the ablest al. To us this looks like a mistake in in in, he is at full liberty to act for him as to his course.

Congress has concluded to adjourn on the 29th inst.
